A man said his Father was 92 years old and he died - when asked what killed him he replied - women and liquor but at that age - yes - he couldn't get either one so he just laid down and died.

I have often wondered, I must of had something in my parents to force them to bring me up.

I gave you the wrong Hotel in Dallas, the name is Baker however shall look for it.

WASHING INSTRUCTIONS

"REAL-RAY" UNDERWEAR

"Real-Ray" is a fine Cellulose Fiber
IT CANNOT STAND

THE construction of "REAL-RAY" fabric (which contains NO SILK) is such that it loses strength when wet so it is doubly susceptible to damage if handled roughly in laundering, although this strength is all regained when dry. Despite this, REAL-RAY will give unusual service and wear if you make the most exacting customer, if laundered with the proper care. The following WASHING INSTRUCTIONS must be followed explicitly:

1. WASH GARMENTS in lukewarm water, containing fine soap suds of a pure soap. Wash the garment thoroughly and wash by squeezing gently and shaking up and down. Do not rub, scrub or twist.

2. RINSE THOROUGHLY in water the same temperature as washed in and squeeze the water out gently.

3. LAY OUT underwear perfectly flat on a heavy towel and

DO NOT LAUNDER CAREFULLY DO NOT ABUSE

al shape. Do not lay out to dry over a radiator. Excessive heat is injurious.

4. DO NOT USE CLOTHES PINS on Real-Ray Lingerie or Underwear.

5. IRON WHEN PRACTICALLY DRY, on the wrong side of the garment. Use a warm iron (not hot).

6. ABOVE ALL "Real-Ray" garments must not be rubbed on a washing board or washed in a washing machine.

* * *

"Real-Ray" Fabric Cannot Stand Rough Laundry Abuse
When sent to a laundry and washed in washing machines and ironed through heavy mangles at an intense heat, great injury is done to the fabric. We cannot be held responsible for such garments when they fail to give proper or satisfactory service.

I'm certainly surprised to hear

I don't write a great deal

How are all of you? I hope
everything is just fine. In Alvin's last
letter he said that Clara had been

feeling very badly during that
heat wave. Tell her I hope she
feeling much better now. Also tell
about my receiving her letter and
her for sending me Glavin's address.

I read in the paper about what
you are having over the car. Mr. Fox

tell me just what was wrong.

I shall say goodbye now and
think of anything else to say.

Give my love to Alvin when you
write him and tell him I am very
to hear from him.

Kiss my boy for me.

Love

Delores.

Dear Mr & Mrs. Harpiss

I just received a letter from Clara and thought I had better write you and you know that Clara wanted me to ask him and told me I should write to him and allowed to write me but that he would receive any letters I sent him. When I wrote him and my letters were returned from Washington with a note saying it would not be proper for him and I to write to each other as we were not married. You can probably imagine how I feel when you write him. I have told you I am going to keep on trying to get permission and I am sure it will be all to eventually. Well, him and I are feeling just fine and I hope things are going as well for him as could be expected.

I have been awfully busy and restless since Clara told me of those pictures you are having made of Little Ray. I am so anxious to see them and I know Glavin will be tickled to get them. You are allowed to send him pictures,

22 April 36

aren't you? I certainly have seen some things like that and I know I must be getting along fine and I must be working everyday - even though I don't write me he says at least I am working and most certainly I am not a failure.

I've heard from all of my friends lately but none of them seem to be getting along any too well - except my brother - at least he never tells me of anything was wrong that time. I won't be afraid I would worry.

Glara said that when I get to camp I will find all my things all right. It certainly makes me feel good to know that I am wanted but I don't believe there is even the slightest chance of my getting there. I really don't want to make parole although of course I am going to try hard but even if I do you know I am not at all sure I will get out and then I don't know what to do.

and they would most likely set my
feet for the better part of next
year. I don't know what I would
have to find a job or not. I've been
told that you can't make parole unless
you have a job waiting for you - but
of course a person in a place like
this is always having things that
don't amount to anything.

Well, I shall say goodbye for now
but will write again early next
time my love to Alvin and kids.
Tell Ray for me and write me again
soon. Tell Clara I certainly enjoyed
her letters.

Mr. Ryan; I received a letter from Dolores
Honey some time ago. I understood that
she received permission from you to write
the letter. I would like to know if she
will receive the letters I write to her,
and if she will be permitted to write
to me again in the near future. I am
enclosing a few snapshots my father
asked me to send to her in g: of your
off. I also thank you for letting her write
to me.

7 PM Friday

Alice dear:

I was so glad to get your letter to night & I'm answering it so you'll have one Monday. I wish I could be there with you & know we would have lots of fun together.

I'm sorry Alice that you have been sick but I hope you are all over it now.

It would be wonderful if you could go to Washington & see all the wonderful places & see the Cherry trees.

I'm so glad that you are going to see those places & I hope you will.

My health is deep but business is very dear this last week.

If Congress passes the "Relief Bill" I'll have work with the Housing Department & I don't know where they will send me & I hope I'm still here so we can have our lovely visit.

When Spring comes, I'll let you see the things she asked to do. I'm sure you will & I'll be on my way to Wilkes and fix up flat-tops and all the lovely dimes we've taken together.

With dear, I hope I'm here when you come back to Chicago.

Love

Wendell

Dear Friend Gladys:

Well I suppose you will be more or less surprised hearing from me again I would have written you sooner only I had a bum arm I was in an automobile accident two months ago and I broke my collar bone but I'm alright now for which I'm grateful.

Well Gladys how are you feeling and getting along I hope fine also I suppose you have

plenty snow up there
Gladys the only reason I'm
bothering you again is
because Bill told me to
write you again and indeed
in this letter you will
find one Bill wrote to me

address one Miss Lillian Green
